Mayor and Councilmembers

Diamondhead, MS 39525

Dear Mayor and Councilmembers:

Re: Bids – East Aloha Access Road

Attached is the recommendation and bid tabulation received from Seymour Engineering with regard to the bids for the construction of East Aloha Access Road. The engineer's estimate for project was $288,605 with the bid resulting in a project increase of $3,895 plus additional engineering fees in the amount of $341 for total local match increase of $4,236.00.

It is my recommendation to accept and award the low bid received from Twin L. Construction, Inc. in the amount of $292,500.00 for the construction of East Aloha Access Road. I further recommend the Council authorize the increase of local match in the amount of $4,236.00 and authorize the City Manager to execute the contract for same upon satisfactory legal review.

Thank you for your consideration and approval in this matter.

Sincerely,

Clovis Reed
City Manager

I have also reviewed the low bidder's qualifications and I am satisfied that Twin L Construction, Inc. is qualified to perform the work. It is therefore recommended that the City award Twin L Construction, Inc. the contract at their low bid of $292,500.00, to perform the work as described in the bid documents.

If you have any questions please do not hesitate to contact me.

Respectfully submitted,
