

INTENT

WHEREAS, certain areas of the City of Diamondhead are subject to periodic flooding, or flood-related erosion, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of the federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the Mayor and City Council of the City of Diamondhead to require the recognition and evaluation of flood, or flood-related erosion hazards in all official actions relating to the land use in areas having these hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to Mississippi Code Annotated Title 17 Chapter 1 and MCA Title 21 Chapter 19.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of Diamondhead, hereby:

Assures the Federal Insurance Administration that it will enact as necessary, and maintain in force in those areas having flood, or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Part 60 of the National Flood Insurance Program Regulations (**CFR44**); and

Vests with the City Manager and/or the City Manager's designated official, the responsibility, authority and means to:

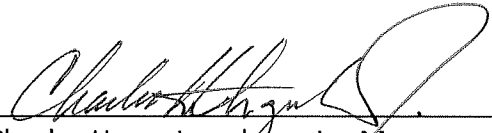

- (a) Assist the Administrator, at his request, in his delineation of the limits of the area having special flood, or flood-related erosion hazards.
- (b) Provide such information as the administrator may request concerning present uses and occupancy of the flood plain, or flood-related erosion areas.
- (c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain, or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining flood plain, and/or flood-related erosion areas in order to prevent aggravation of existing hazards.
- (d) Upon occurrence, notify the Administrator in writing whenever the boundaries of the Community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce floodplain management regulations for a particular area. In order that all Flood hazard Boundary Maps and Flood Insurance Rate Maps accurately represent the Community's boundaries, include within such notification a copy of a map of the community suitable for reproduction, clearly delineating the new corporate limits or

new area for which the community has assumed or relinquished flood plain management regulatory authority.

(e) Appoints the City Manager and/or the City Manager's designee to maintain for public inspection and to furnish upon request for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, and certificates of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest floor (including basement) of all new or substantially improved structures, and include whether or not such structures include a basement, and if the structure has been flood proofed; and

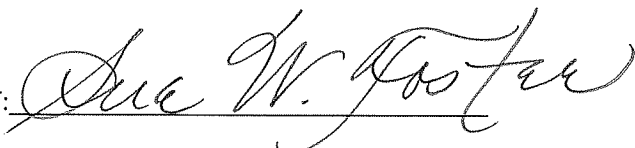

(f) Agrees to take such other official action, as may be reasonable necessary to carry out the objectives of the program.

SO RESOLVED, THIS THE 7th DAY OF May, 2012.
