

Arbor Day Proclamation

Whereas: In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas: the holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas: Arbor Day is now observed throughout the nation and the world, and

Whereas: trees can reduce the erosion of precious topsoil by wind and water, lower our heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and

Whereas: trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas: trees in our City increase property value, enhance the economic vitality of business areas, and beautify our community, and

Whereas: trees, wherever they are planted, are a source of joy and spiritual renewal

NOW THEREFORE, we, the Mayor and City Council of the City of Diamondhead, do hereby proclaim December 3, 2014 as

ARBOR DAY

in the City of Diamondhead, and we urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands and

FURTHER, we urge all citizens to plant and care for trees to gladden the heart and promote well-being of this and future generations.

Proclaimed this the 21th day of October, in the year 2014.

Mayor Thomas E. Schafer, IV
