April 25, 2014

Mayor and Councilmembers  
City of Diamondhead  
5000 Diamondhead Circle  
Diamondhead, MS 39525

Dear Mayor and Councilmembers:

Re: Agenda Item#2014-3149 – Participation in MDEQ Stream Restoration Grant Application

At the Council Meeting on April 15, 2014, Nancy Depreo with Seymour Engineering proposed participation in the MDEQ Stream Restoration Grant Application. Ms. Depreo received general consensus to move forward with the project on behalf of the City of Diamondhead. The application will be made on behalf of the Cities of Diamondhead, Bay St. Louis and Waveland, the Hancock County Port & Harbor Commission as well as the Hancock County Board of Supervisors collectively. The cost assessment to each entity for the stream/tributary study and application is \$3,000.00.

Approval is requested to make payment to the Hancock County Board of Supervisors in the amount of \$3,000.00 for City of Diamondhead's participation/grant application for the MDEQ Stream Restoration Grant.

Thank you for your consideration and approval in this matter.

Sincerely,

Richard Sullivan  
Interim City Manager
