

Proclamation- Safe Digging Month

WHEREAS, each year, Mississippi's underground utility infrastructure is jeopardized by unintentional damage by those who fail to call to have underground lines located prior to digging. Undesired consequences such as service interruption, damage to the environment, personal injury and even death are the potential results; and

WHEREAS, Mississippi 811, Inc., promotes the national Call-Before-You-Dig number, 811, in an effort to reduce these damages. Designated by the FCC in 2005, 811 provides excavators and homeowners a simple number to reach their local one-call center to request utility line locations at the intended dig site; and

WHEREAS, through education of safe digging practices, excavators and homeowners can save time and money keeping our City safe and connected by making a simple call to 811 in advance of any digging project; waiting the required amount of time; respecting the marked lines by maintaining visual definition throughout the course of the excavation; and finally, digging with care around the marks; and

WHEREAS, all parties agree that safe digging is a shared responsibility. To know what's below, call 811 two working days before you dig.

NOW, THEREFORE, I, Mayor Thomas Schafer, IV of the City of Diamondhead, MS do hereby proclaim April 2014 as

SAFE DIGGING MONTH

In the City of Diamondhead, MS and encourage excavators and homeowners throughout the City of Diamondhead, MS to always call 811 before digging. Safe Digging is No Accident.

In witness whereof, I have hereunto set my hand and caused the Great Seal of the Diamondhead, MS to be affixed.

So ordered, this 1st day of April, 2014.

Mayor Thomas Schafer, IV

Attest:

Kristin Ventura, City Clerk
