2. City Manager’s Report –

Follow up from the tropical storm:

We had near flooding conditions last Thursday. It appeared that the drainage structures that were recently improved made a tremendous difference in handling the water runoff. In the last two years this Council has invested just over a million dollars in drainage improvements and it worked. From my observation the greatest problem was driveway culverts that experienced more water than they were designed to drain. I want to commend the Public Works department for their advance work cleaning out drainage structures and for their efforts to repair wash outs after the storm. We received positive comments on FaceBook for the help that John Luther and our public works crews extended to our citizens who came for sandbags. Their service exemplifies the dedication that the people in Diamondhead have come to rely upon.

Relief Efforts:

The Diamondhead Fire Department will be collecting items for Operation Relief to help our neighbors in Louisiana during these devastating and difficult times. The recent and continued flooding has left many without the basic essentials. Items needed are Diapers (both baby and adult), Wipes, Formula, Bottles, Baby Food, Can Goods with Can Opener, Box Food, Water, Gatorade/Powerade, Paper Towels, Toothpaste, Deodorant, Shampoo, Soap, Toilet Paper, Feminine Products, Razors, Shaving Cream, Lighters, Flashlights, Sunscreen, First Aid Kit and Pet Food.

Please drop off your donations at the Diamondhead Fire Station No. 1 (444 Kalani Dr. next to CVS Pharmacy) between 8:00 a.m. - 6:00 -p.m. before Sunday, August, 20th.

Paving Contract:

I anticipate signing the paving contract as soon as legal is satisfied with some technical modifications. The contract has a 90 calendar day schedule for completion and that’s very aggressive. I will let you all know when a pre-construction conference is scheduled.

FY17 Budget:

The public hearing on the budget will be August 24th at 6:00 p.m. in Council Chambers. Changes can be made to the budget up to the adoption of the budget no later than September 15th.

Blessing of the Classics:

Rouses’s Market and the Red Zone are sponsoring at their same level as last year. The new manager at the Harbor House opted out of participation. That impacted us on the cost of the flyers. Consequently, the City will be advertising on the flyer along with the Red Zone. We are still in need of additional volunteers. If anyone is interested please let any of us at City Hall. All we need is a name, telephone number, t-shirt size and if you have a golf cart at your disposal.
