

MINUTES
REGULAR MEETING OF CITY COUNCIL
Diamondhead, Mississippi
Council Chambers, City Hall
June 5, 2018
6:00 pm CST

I. Call to Order – Mayor Schafer called the meeting to order at 6:00p.m. CST

1. Invocation – Councilmember Mayor Schafer
2. Pledge of Allegiance – Mayor Schafer
3. Roll Call –
Present: Mayor Schafer, Councilmembers Depreo, Moran and Morgan; Koenenn and L’Ecuier present via tele-conference. Absent: None.

4. Confirm or adjust agenda order--

Councilmember Depreo moved, seconded by Councilmember Koenenn, to amend the agenda as follows:

Revisions:

- f. **2018-183:** Add “for a period of one (1) year. “ Motion to accept the donation of pest control and termite inspection services with an annual value of \$893.60 for a period of one (1) year from Philip’s Pest Control Company, LLC.
- i. **2018-187:** Delete “and construction plans.” Motion to approve preliminary plan layout for the actual improvements construction for Glenn Eagle Subdivision Phase 2 by Elliott Homes, LLC.

Deletions:

- k. **2018-189:** Motion to accept and award quote of Morreale Construction for Kayak Launch.

Additions:

- n. **2018-192:** Motion to approve FY16 Tidelands Application to include construction of two (2) pavilions at Bayou Drive Kayak Launch site and further to authorize the City Manager to seek quotes/bids for construction of the pavilions.

Ayes: Depreo, Moran, Morgan, Koenenn, L’Ecuier and Mayor Schafer. Nays: None. Absent: None.

MOTION CARRIED UNANIMOUSLY

II. Presentation Agenda

1. Council Comments
 - a. The next regularly scheduled Council Meeting will be held June 19, 2018 at 6:00 p.m. CST in Council Chambers located at 5000 Diamondhead Circle.
 - b. Presentation to Margaret Elaine Schindler of Diamondhead – Youth State Record Silver Perch (*Bairdiella chrysoura*).
 - c. FY18 Year-end projections – Catherine Konkell, Treasurer

2. City Manager’s Report –

- a. Elliot Homes Development – It is with great pleasure that I recommend approval for the preliminary plan layout for the new development by Elliott Homes. They

have been working for about year to get to this point. They have full approval by Water and Sewerage Dept. They are requesting no variances that require planning and zoning approval. The building department has approved and recommends the plan. These are single-family residences located in a R2 district, and it is consistent with our 25-year comprehensive plan. This is very exciting for Diamondhead and Hancock County.

- b. I-10 Lighting Project – On May 31, the contract was signed with Webster Electric and notice of execution has been delivered. Webster is now able to order the poles to be manufactured. The city can expect to receive a notice to proceed date by August 31, which will be presented for council approval. After that point, a pre-construction meeting will be scheduled.
- c. Authorization to Submit Grant Request – I am asking the council for authorization to apply for two Tidelands FY20 grants to enhance our Blueways project along Rotten Bayou. This will provide more access to the water for our residents for kayaking, hiking, fishing, boating, and bird watching. These applications are due by June 30.
- d. Diamondhead Drive East Drainage Project – I will ask the council to reject the bids received for the previous design of this project since we are having it re-engineered by Pickering to take a different route. Tonight, we will recommend approval of the final payment to Pickering for the previous design through the bid process. A new work assignment for Pickering Engineer is being presented for your approval for the redesign this drainage project.
- e. East Aloha Improvement Planning Grant - Memorandum of understanding was sent to MDOT Planning division on May 18th. Once we receive the signed MOU, we will begin the engineer contract phase.
- f. East Aloha Widening Project – MDOT is requiring a 10' wide multi use path. We proposed 6' to match the existing path on Veterans Blvd. This 10' width will also connect nicely to the proposed improvements along East Aloha from Veterans to Kalani Dr. We hope to get MDOT approval for the plans shortly and then we will begin the advertising/bidding phase for this project.
- g. Devil's Elbow/Montjoy Creek Improvements – Permitting application has been under review with MS Dept of Marine Resources and the US Army Corp of Engineers for several months. The regulatory agencies have requested additional information regarding upstream modifications to prohibit future siltation of Montjoy Creek and Devil's Elbow and a mitigation plan to transplant existing vegetation. The engineer is completing these requests for additional information and will submit to the city for consideration.
- h. Kayak Launches – Engineer is working to complete all punch list items with the contractor and final close out documents are required for final payment. There are only about 8 small items remaining. We are also working to add 2 pavilions to the Bayou Drive site as an additional amenity for our residents. We hope to schedule the ribbon cutting once the final punch list items are completed. We are

free to open both kayak launches at any time, and I would recommend we do that tonight.

- i. Ieke Drive Drainage – Engineer has found that multiple culverts need to be replaced under driveways since they are sloped incorrectly, grade of existing ditches along Ieke and Amoka Drive need to be improved, and there is a lack of swale on rear property lines that allow for positive drainage of storm water away from the homes in the area.

3. Public Comments on Agenda Items– None

III. Policy Agenda.

1. Approval of Minutes:

a. May 15, 2018 Regular Meeting

Councilmember Depreo moved, seconded by Councilmember Moran, to approve the Minutes of the May 15, 2018 Regular Meeting.
