To: Mayor Tommy Schafer and Honorable Diamondhead City Council Members

Re: Diamondhead Community Collaborative – Addendum to letter submitted on March 22, 2019

I am writing on behalf of the Diamondhead Property Owners Association (DHPOA) Board of Directors, to ask two members from the City of Diamondhead's City Council to be members of the Diamondhead Community Collaborative (the Collaborative). The overall goal and objective of the Collaborative is for the Diamondhead Property Owners Association (DHPOA) to work with the city of Diamondhead (the city) to discuss and find joint solutions to our community issues. Areas of discussion include the following:

Short Term Goals

- Kapalama Maintenance Facility Agreement
- Golf Maintenance Future Needs and Requirements
- Drainage Improvements
- Permitting Process
- Code/Covenant Enforcement

Long Term Goals

- POA Future plans

The details and action plan for each item will be developed by the collaborative members representing the city and DHPOA. The frequency, time and place of the meetings can be determined by the collaborative once it is formed.

Sincerely,

Bob Marthouse
President
